Testimonials

"Devon is an enthusiastic, patient and extremely knowledgeable guitar teacher. I went for my first lesson knowing nothing and came out able to play a few chords and strumming patterns to impress my friends with. I have also had the pleasure of watching Devon teach children with patience and dedication. He shows a keen understanding of the needs of kids and a desire to introduce them to the world of music."

Devon is an inspiring instructor. His passion for music encouraged my own excitement and enjoyment during our lessons. He is a human metronome of rhythm and enthusiasm. With a never ending repertoire of melodic interests and musical skill he offers all ages and abilities the opportunity to explore and develop their own musical talents. Thank you Devon !
